INTRODUCTION

The Camera Cage has become the need of the camera users. So we have designed a very lightweight, flexible and your needs fulfilling camera cage. It has a Sliding quick release plate with adapter for quick mounting of your camera. The Top Handle with soft foam grip is an excellent feature of the cage to enables the users specially those having the camera without handle to do hand-held shooting for a long time without exhaustion.

IN THE BOX

Please inspect the contents of your shipped package to ensure you have received all that is pictured and listed below.

Note : The Camera Cage is available in 6" and 9". You will get the cage according to your purchase.
